

Resolution adopted by the EPP Political Assembly (3rd March 2015) on

“The Armenian Genocide and European Values”

The European People’s Party reaffirms its recognition and condemnation of the Genocide and Great National Dispossession of the Armenian people on the eve of its 100th Anniversary on 24 April 2015.

1. We condemn the genocidal acts against the Armenian people, planned and continuously perpetrated by the Ottoman Empire and various regimes of Turkey in 1894-1923, dispossession of the homeland, the massacres and ethnic cleansing aimed at the extermination of the Armenian population, the destruction of the Armenian heritage, as well as the denial of the Genocide, all attempts to avoid responsibility, to consign to oblivion the committed crimes and their consequences or to justify them, as a continuation of this crime and encouragement to commit new genocides.
2. We commemorate one-and-a-half million innocent victims of the Armenian Genocide in 1915 and bow in gratitude to those martyred and surviving heroes who struggled for their lives and human dignity. Moreover, we recognize, that the Genocide resulted in the death and dispossession not only of Armenian people but also extended to the Pontic Greeks and Assyrians peoples, and we commemorate them as well.
3. We join and strongly support the commitment of Armenia and the Armenian people to continue the international struggle for the prevention of genocides, the restoration of the rights of people subjected to genocide and the establishment of historical justice.
4. We invite Turkey, in the finest example of integrity and leadership proffered by the Federal Republic of post-war Germany, to face history and finally recognize the ever-present reality of the Armenian Genocide and its attendant dispossession, to seek redemption and make restitution appropriate for a European country, including but not limited to ensuring a right of return of the Armenian people to, and a secure reconnection with, their national hearth—all flowing from the fundamental imperative of achieving Reconciliation through the Truth.
5. We call upon the Government of Turkey to respect and realize fully the legal obligations which it has undertaken including those provisions which relate to the protection of cultural heritage and, in particular, to conduct in good faith an integrated inventory of Armenian and other cultural heritage destroyed or ruined during the past century, based thereon to develop a strategy of priority restoration of ancient and medieval capital cities, churches, schools, fortresses, cemeteries, and other treasures located in historic Western Armenia, and to render the aforementioned fully operational cultural and religious institutions.
6. We appeal to EU and CoE member states, international organizations, all people of good will, regardless of their ethnic origin and religious affiliation, to unite their efforts aimed at restoring historical justice and paying tribute to the memory of the victims of the Armenian Genocide.
7. Taking the foregoing into account, the European People’s Party invites Turkey to take the following measures pursuant to its international commitments and the European identity to which it aspires:

- to recognize and condemn the Armenian Genocide committed by the Ottoman Empire, and to face its own history and memory through commemorating the victims of that heinous crime against humanity;
 - to provide a vision and an implementing plan of action worthy of a truly European Turkey, including a comprehensive resolution of issues relating to the freedom of expression and reference to the Genocide in state, society and educational institutions, as well as the repair of religious and other cultural sites and their return to the Armenian and other relevant communities;
 - to launch the long-awaited celebration of the Armenian national legacy based on a total Turkish-Armenian normalization anchored in the assumption of history, the pacific resolution of all outstanding matters, and a complete Europeanization of their relationship.
8. It also invites the European Union, its Commission, Council and Parliament, and the international community as a whole, in assessment of the honoring of commitments and obligations undertaken by Turkey, to accord continued attention to the recognition, restoration, and restitution of our shared heritage as herewith tendered, and hereafter officially to commemorate April 24 as a day to remember and condemn the Armenian Genocide and man's inhumanity to man.
9. We express the hope that recognition and condemnation of the Armenian Genocide by Turkey will serve as a starting point for the historical reconciliation of the Armenian and Turkish peoples.
